FAQ's

What does Stock Mean?

Stock means we have this item in our warehouse which means the lead time should be 1-2 weeks provided we haven't run out of stock. Please enquire with our team if you would like to check our stock levels

What does COM Mean?

COM stands for customers' own material. It means the chair is made to order to your specifications (frame colour/fabric choice). As these items are made to order, the lead time is usually 6-12 weeks, depending on the item and our production schedule. Please enquire for an accurate lead time

How do I get prices?

The starting prices are based on the base model of each collection. finish, model selection, and quantity can cause prices to vary. Please get in touch with our team with your requirements for an accurate quote.

Do you have other budget-friendly options?

Absolutely! This brochure is a curated collection of some of our favourites; however, we have a vast library of furniture. If you can't find exactly what you're looking for, please get in touch with our team for more options.

Are your products suitable for commercial use?

Yes, our products are designed for commercial environments such as hospitality, workplace, and public spaces. Many items meet commercial durability standards—please enquire with our team for specific product certifications.

Can I request fabric or finish samples?

Of course! We can provide fabric swatches and finish samples to help you make the right choice for your space. Please contact our team with the item details and the samples you'd like to request.

Do you offer delivery and installation?

Yes, we offer delivery services and can also arrange installation for commercial projects. Delivery times and costs may vary depending on location and order size, so please enquire with our team for a detailed quote.

What is your warranty policy?

Warranty periods may vary by product, so please contact our team for specific warranty information on your selected items.

Do you have other budget-friendly options?

Absolutely! This brochure is a curated collection of some of our favourites; however, we have a vast library of furniture. If you can't find exactly what you're looking for, please get in touch with our team for more options.

Can you help with space planning or product selection?

Yes, our team is happy to assist with space planning and product selection to ensure the best fit for your project. Please get in touch with your plans or requirements, and we'll be happy to help.
